DETAILED ACTION

1. In view of the Appeal Brief filed on August 17, 2005, PROSECUTION IS HEREBY REOPENED. An allowance is set forth below.

To avoid abandonment of the application, appellant must exercise one of the following two options:

(1) file a reply under 37 CFR 1.111 (if this Office action is non-final) or a reply under 37 CFR 1.113 (if this Office action is final); or,

(2) initiate a new appeal by filing a notice of appeal under 37 CFR 41.31 followed by an appeal brief under 37 CFR 41.37. The previously paid notice of appeal fee and appeal brief fee can be applied to the new appeal. If, however, the appeal fees set forth in 37 CFR 41.20 have been increased since they were previously paid, then appellant must pay the difference between the increased fees and the amount previously paid.

A Supervisory Patent Examiner (SPE) has approved of reopening prosecution by signing below:

***.

REASONS FOR ALLOWANCE

Art Unit: 2683

2. Claims 29-56 are allowed.

3. The following is an Examiner's Statement of Reasons for Allowance:

Upon close review of the claims, the prior art of record and applicants remarks in applicant's Appeal Brief on page 13 line 8 through page 16 line 5 filed August 17, 2005, it appears that the prior art of record fails to teach or suggest, alone or in combination "said service message is a message generated by said service provider and said service message is transmitted to all those subscribers for which the same network related information is provided to the service provider; and the network related information of the subscriber is transmitted in a header of a packet transmitted by the mobile station of the subscriber". Therefor the allowance of claims 29-56 is appropriate.

Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably **accompany** the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
